

Webinar

Climate services explained:
benefits, challenges and solutions

June 12, 3pm CEST

Organized by INBOA and GERICS,
the webinar will bring together
three distinguished experts to
discuss **various aspects of**
climate services and resilience.

Prof. Daniela Jacob, Director of
Climate Service Center Germany
(GERICS)

Prof. Christopher Hewitt, Director,
Climate Services Division, World
Meteorological Organization

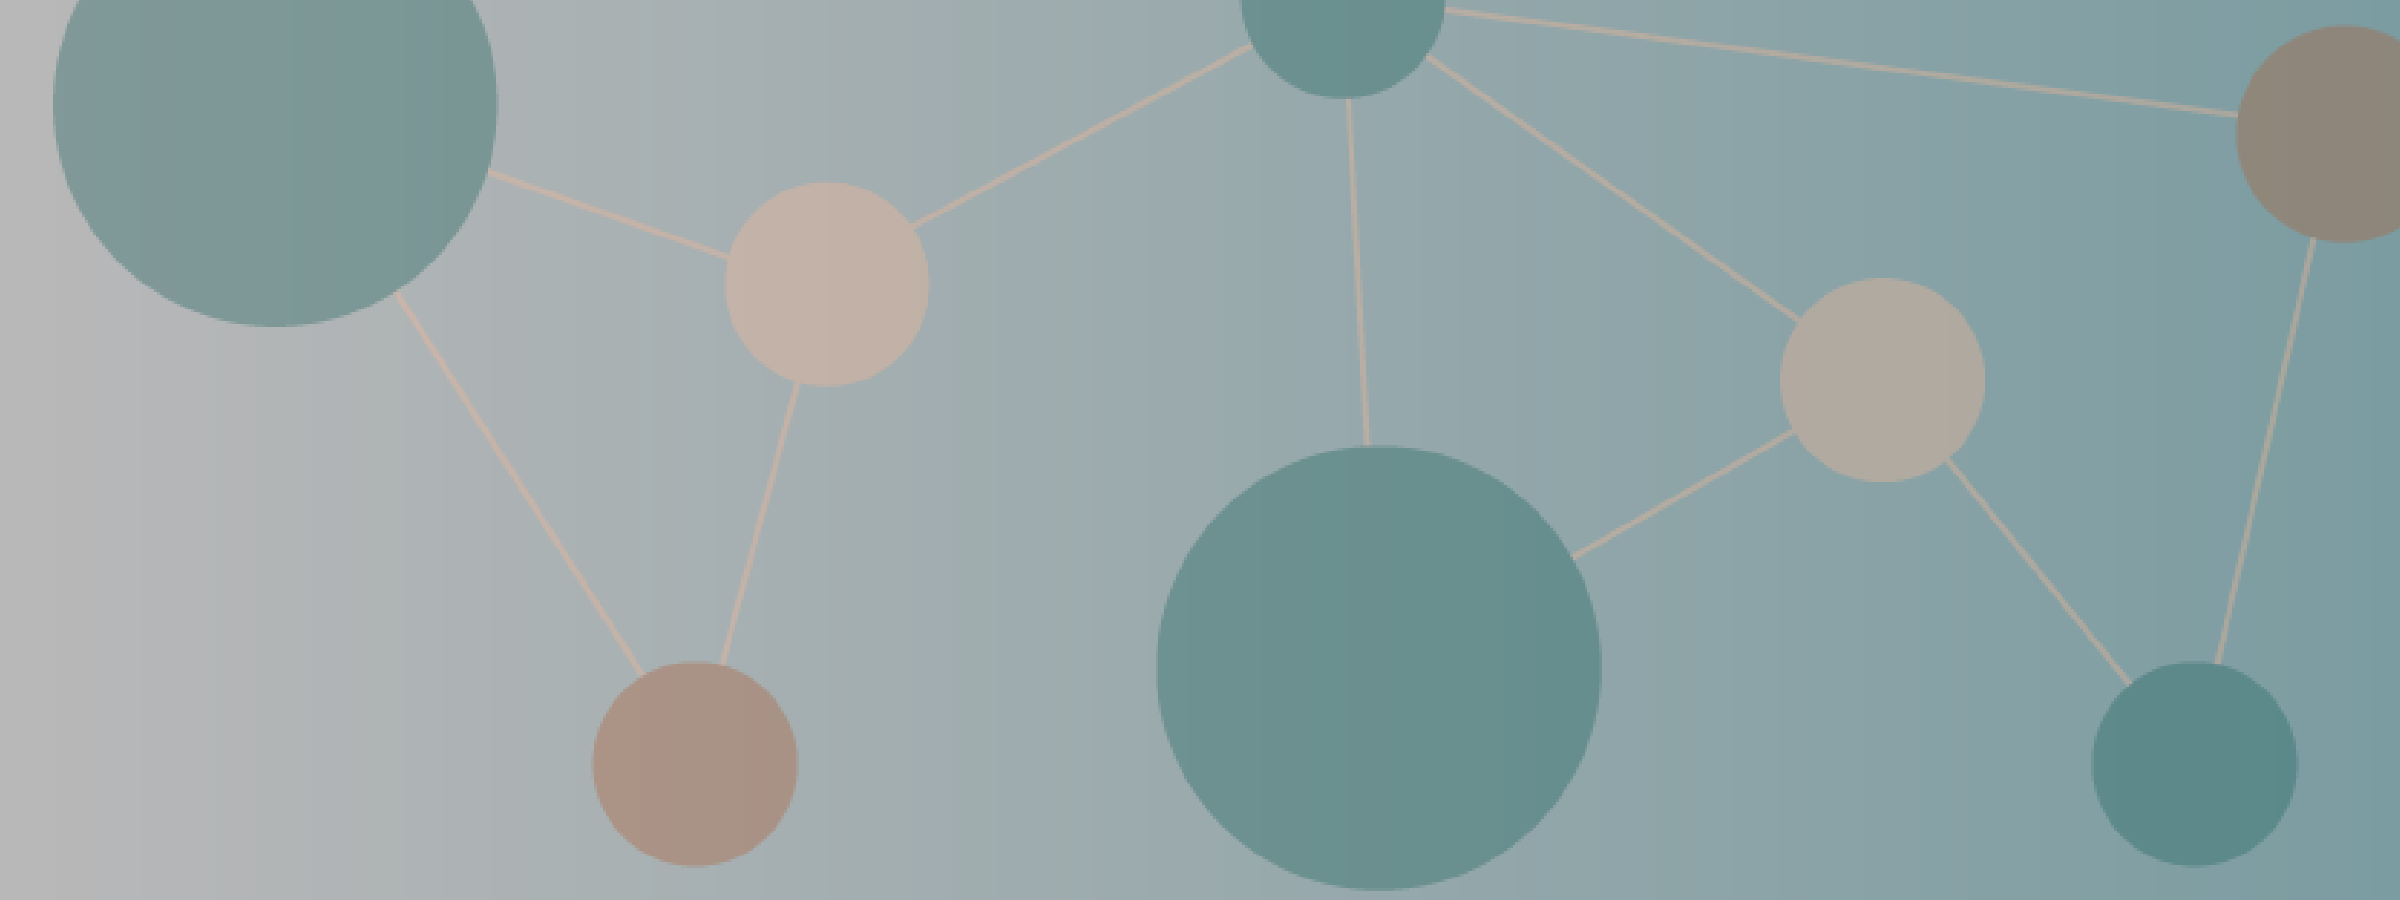

Prof. Kehinde Ogunjobi,
Deputy/Director of Research of the
WASCAL Competence centre in
Ouagadougou, Burkina Faso
